Dear Parents,

Thank you to all the many family members who came out to support their children at the 2015 Campus Sports Day. We were very pleased with the running of the whole day and the overall participation. Some photos are included in this Newsletter, along with the House results.

We will now be holding trials and practices for SACSA Primary Athletics day, which will be held on Friday, May 1st. Mrs Loffler and Mr Overweel will be organising trials and team selections this year.

ANZAC Memorial Garden Ceremony
On Thursday, April 9th, our new ANZAC Memorial Garden will be officially opened, at 1.30pm on Campus. Please look out for further details after Easter, especially if you wish to attend. (Note there is no regular morning school assembly this day).

Staffing Update
I would like to inform you that Ms Clare Thistlethwayte is currently replacing Mr David Jenkin, while he is on Long Service Leave, until the end of Week 4 next term. Also, Mrs Julie Wicks, will be Acting Principal next week and in first week of next term, while I am on leave visiting my family in the UK. I will also be visiting Saltford Church of England Primary School in Wiltshire, having been invited to speak at their assembly about life at Pilgrim School. Mrs Mel Carpenter will be teaching the Year 7 class for those two weeks and I will be back on Tuesday, May 5th.

Easter Worship
On Thursday morning, we held a special Easter Worship in the Performing Arts Centre. This is one of the special events in the Pilgrim calendar and Easter is the time when we remember the sacrifice that Jesus made, when he was crucified, buried and rose again. All around the world at Easter time, the symbol of the cross is shared as God’s message of hope for a world that is hurting and full of confusion. The story of the cross remains our dominant message, as the resurrection of Jesus is the still the boldest claim made by any world religion.

I trust you have some time for reflection, family connections and stay safe if you are travelling, as I am this year. You will be in my thoughts and prayers.

Yours in Christ

Nigel Bennett
Principal.
Parents

The st -th need to be approved by the Principal, as advised by written notice to the school.

Carmel on that day.

student free day on the 27 April, for it to be operating OSHC needs enough students booked in for the Care forms.

Thank You

♥ Thank you to parents who came to the Sports Days, encouraging the children in their activities. It was a great time.

Welcome

We have had a new student join our Year 2 class this week. Her name is Ava Marks and her family has moved to Happy Valley after arriving in Adelaide from Ohio, USA, last December. Please keep an eye out for Ava and her family (dad Jamie, mum Aaryn and brothers Avery and Max) and help them feel welcome.

Day Light Saving Ends

Day light savings ends this Sunday 5th April (3am)
Put your clocks back one hour.

Parent/Teacher Interviews

Parent Teacher interviews will be conducted after school over two evenings in Week 11.

Tuesday 7th April 3.30pm – 8.00pm
Thursday 9th April 3.30pm – 6.30pm

If you have any questions, please feel free to ask one of the front office staff members.

Sibling Enrolments for 2015 & 2016

For Families with Younger Siblings

The following families have siblings enrolled to start at Pilgrim in Reception in 2016: Bakurski, Bedard, Beresford, Moore, Rayner, Romeo, Saunders, Schaef, Sheppard, Wang, Wills, Xue and Zhang.

If you have a child commencing in Reception next year, and your name is not on this list, please ask for an enrolment form at the front office, speak to Kristen Heath or email her at heathk@pilgrim.sa.edu.au.

Our 2016 list is looking very healthy. Please encourage others you who are interested to enquire at Pilgrim as soon as they can.

Our 2017 Reception class, currently has only one sibling enrolled. If you have a child due to start school in 2017 please speak to our Registrar, Kristen Heath, as soon as possible. This will help us decide how many new families can be enrolled.

Kristen Heath
Marketing Manager & Registrar

Uniform Change of Season

The guidelines have changed for when your child is allowed to wear their summer and winter uniform. The temperature guidelines are no longer in place. They are required to wear the winter uniform from the 1st June until the 31st August. At all other times (autumn and spring) the children are allowed to wear either summer or winter uniform but they must wear the entire uniform. That is, if they are wearing shorts they must wear the short sleeve shirt and if they are wearing pants, they must wear the long sleeved shirt.

If you have any questions, please feel free to ask one of the front office staff members.

SACSA Athletics

Selection trials have been held for the SA Christian Schools Association (SACSA) Primary Athletics day at SANTOS stadium, Mile End on Friday, May 1st. The final teams have been chosen from results of Sports Day, past performances and selection trials.

Parents with children involved will receive letters today. Please return consent forms, along with $10 payment by Wednesday 8th April.

Practices:

There will be a special practice session in the vacation on Thursday, April 23rd from 10-12noon on the main oval. Early morning practice sessions in Week 1 next term have been planned for Wednesday 29th and Thursday 30th April from 7.30-8.15am.

Congratulations to the students selected.

Thank you to teachers Megan Loffler and Joel Overweel who are managing the SACSA Athletics this year.
Parents & Friends meetings
Thank you to the people who come out and help make decisions for the P&F. Unfortunately this week we only had 5 people in attendance so we were unable to make any decisions. If you feel you could help out in this area please come along to our next meeting on Tuesday 12th May so that decisions can be made.

Canteen & Uniform Committee Representatives
Urgent! Positions need filling. Firstly, thank you to Andrea Partridge for being our canteen rep for quite a few years now. We appreciate all you work on this committee!

We currently have the Campus canteen and uniform committees that need a parent from Pilgrim to be our representative. The canteen committee meets once a term in week 6. The uniform committee meets a couple of times a year. Please contact the front office if you would like to be our representative.

Consultation – for discussion
We need your help. At times we have proposals brought forward that need consideration. We would like to know what you think about these proposals. At this stage we are looking for feedback on the working bees we have each term.

The concern is that the working bees are not well attended and that it is the same families who attend each one. It had been suggested that we change from 4 working bees to 2 per year. This would mean that 4 classes would be assigned to each one. All families would also be charged a levy for example $10 and if they attend the working bee they would have this levy charge returned to them. If you have any feedback on this proposal could you please email me at tonya.bishop1977@gmail.com so that I can bring your thoughts to the next P&F meeting for discussion.

Umbrellas for sale
At this time of year we start thinking about winter sport and with that we think "rain"! If you are in need of a large golf umbrella with the campus logo on it, please see the front office. We have lots for sale, $40 each.

To finish the term we have a Sausage Sizzle on the last day of term with Year 2 Parents catering.

Entertainment Books
Entertainment books will be offered to families at the end of term. The book has special offers that are available through a hard copy book or an online app. More information soon.

Role of Secretary – Vacancy
The role of Secretary to take minutes at meetings and help prepare an agenda is still vacant. It is a matter of attending two meetings a term. Please talk to Tonya or the ladies in the front office if you are interested.

Next Meeting is Tuesday 12th May, 7.30pm.
It would be great to have some new people attend meetings (male and female) so decisions can be made.
Tonya Bishop (0438 868 249)
Campus Sports Days

TUESDAY MARCH 24th
400m & 800m
The morning started with a Campus assembly, chants were practiced and the runners took their places. Students in Years 3 – 7 who wished to compete in the 400m and 800m races were cheered on as they ran round the oval. Well done to all those who won, and to those who tried their best.

FRIDAY 27TH MARCH HOUSE RESULTS
Final scores from Sports Day were

CHAMPIONSHIP SHIELD
First  Murray (Blue) 1596
Second Flinders (Red) 1524
Third  Eyre (Yellow) 1473
Fourth Yorke (Green) 1472

TEAM SPIRIT SHIELD
Equal First Flinders & Eyre 372
Second Murray 331
Third Yorke 330

Well done to Physical Education teachers Ben Searle and Chris Gent. The days were fantastic and a large number of parents also enjoyed the sports days.
Year 7 class
Making the most of Sports Day
Christian Perspective Themes

Each year level from Reception to Year 7 has a theme for the year. These themes have been developed by the staff to be developmentally appropriate, connect the curriculum and present a Christian perspective of material taught. Some class events and activities are also connected to the theme.

<table>
<thead>
<tr>
<th>Reception</th>
<th>Beginnings</th>
<th>This theme is about the children being secure in the knowledge that God who made all things loves them. Sub themes are: God made me, God gave me a family, God gives me what I need and my place in God's world.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 1</td>
<td>Nobody just like me</td>
<td>God has created human beings in His image and we are all unique individuals who are loved by Him. Sub themes are: God grows and changes me, being the best that I can be. God gives me water and shelter and working together.</td>
</tr>
<tr>
<td>Year 2</td>
<td>God’s Story, My Story</td>
<td>The Bible contains a ‘Big Story’ and is the story of God’s love for us. Sub themes are: God knows my own unique story, God cares for my safety, God gives me water and how God’s world works.</td>
</tr>
<tr>
<td>Years 3 and 4</td>
<td>Belonging</td>
<td>God’s plan is for humanity to live in community and relate harmoniously with one another. This idea is investigated at a personal, local and global level. Sub themes are: God gave me personal traits, God gave me friends, God has placed me in community and God has placed me in His world.</td>
</tr>
<tr>
<td>Years 5 and 6</td>
<td>Change</td>
<td>We live in a time where our world is experiencing rapid change. Change can be positive and negative. We are faced with choices about how we respond to change, and how we can respond in a Godly way is explored. Sub themes are: our bodies grow and change, people move and change, God’s world is ever changing and responding to change in a Godly way.</td>
</tr>
<tr>
<td>Year 7</td>
<td>Leadership</td>
<td>God has created us in His image to become His co-workers and to be His stewards as we develop His world. The idea of servant leadership and what this means for us is explored. Sub themes are: as we mature, God prepares us to lead, lessons of leadership from the past, leadership and social change and God calls us to responsible leadership for the future.</td>
</tr>
</tbody>
</table>

More information will be presented by the students at an assembly early in Term 2 about the themes.

Some of the Year 7s wore purple clothes to recognise Purple Day which is an international grassroots effort dedicated to increasing awareness about epilepsy worldwide. On March 26th annually, people in countries around the world were invited to wear purple and host events in support of epilepsy awareness. Sophie Hoff was the key driver of Purple Day with the Year 7s here at Pilgrim School. Well done.

Thank You from the Forder Family
Jenni, Michael, Daniel and Nicholas Forder would like to thank everyone who sent cards and flowers, provided meals, and prayed for our family following the recent passing of Jenni’s Mum. We have been very blessed by all the support of the Pilgrim School community. Thank you.

No Dogs Allowed on Campus
A friendly reminder that no dogs are allowed on Campus.

Please do not walk through the school grounds with your dog.

Year 1 Class News
We have had a busy term in Year 1. In our inquiry unit students have been learning about their grandparents’ daily lives in the past and comparing them with their lives today. We have looked at how family structures have changed over time, and also used digital books and interviews as part of our research. We have been very fortunate to observe real artefacts from the past and used these to form many of our discussions.

In English we have been working on writing narratives and students have loved developing their own stories using a problem and solution. Students have used hands on activities in maths to learn how to count in 2’s, 5’s and 10’s. We have also worked on place value, addition and subtraction. Tricia Gaskin

Parents & Friends
Rock and Roll Dance Evening
As part of organising the Rock and Roll Dance Evening later this year I have sourced a place that does Rock and Roll Dance classes. On the night we hope they can come and do some demonstrations for us all. In the meantime they have classes for anyone interested. You do not need to book, nor feel obliged to commit to going for a whole term, just turn up whenever you have a free Sunday and pay on the day.

Classes run every Sunday at Morphett Vale from 2.30 - 4pm. No bookings required. It is an open group catering for all individuals at all levels. This is run through Jitterbugz Dance Academy, visit their website.

Cost: $10 per lesson, under 16 dance for free
Where: Morphett Vale Function Centre, 24 Epstein Drive, Morphett Vale
When: Every Sunday 2.30pm to 4pm

Jodie Hoff (Year 4 P & F Class Liaison)

Package for Serving Australian Soldiers
One of Pilgrim students has a parent serving in the Australian Forces. As a show of support we will be sending a package overseas to serving soldiers. If you would like to donate an item to this package the things they love most are:

Letters of support / pictures from the kids etc. Other ideas might be puzzle/crossword books, magazines, DVDs, lollies, deck of cards, black ‘Explorer’ socks or similar, foot powder, quality body wash, instant noodles, Australian nuts eg. macadamias, small tin of milo / nice coffee / tea, Tim Tams, Anzac Biscuits, Aussie rules fun items. The Soldiers also appreciate blank cards that they can write in and send to loved ones on special occasions.

Please give all donations to the front office by the end of the term where they will be gratefully received.
Farewell Campus From Your Pastoral Care Worker

Hello Pilgrim and Thiele schools,

As you know I am leaving the Campus at the end of the term to pursue a new career path – motherhood. Whilst this is an exciting time it is also really hard to say goodbye. This is my fifth year here at Campus and I would have to say this place is one in a million. Despite our differences and the complexities of three schools working together we have something very unique here that makes our school community members (staff, students and families) want to be a part of it.

So I leave you with this: Appreciate one another and what each has to offer. It is so easy to be bogged down in gossip, blame, negativity and our own agenda. It is so easy to hold onto things that haven’t turned out the way we planned or to resent someone for the way they have wronged us. But often the best and most rewarding thing you can do is encourage and appreciate one another. You all bring something unique to this place and it wouldn’t be the same without you.

My job has given me the privilege of seeing life from all angles within the school community. The tricky situations that leadership can face behind the scenes, the hurts that families and staff experience that people may not know about, the obstacles and challenges that teachers face each day, the struggles kids confront from small to really big and the loneliness and worry that comes along with that.

Often we don’t know the full story and we have a limited perspective, basing our judgements on what we think we know. So why not encourage those around you and see what a small gesture of kindness can do for a person and our school community morale. Stop and ask yourself “Before I jump ahead to any conclusion, what might this look like from the others perspective?”

Teachers - Our teachers are one in a million. Before I worked in a school I used to think that teachers worked until 3pm and got a lot of cruisy holidays. Not true. In fact it would be hard to find a teacher who doesn’t go into school and plan during their holidays. The hours they put in and the time they give, is phenomenal. Committees, meetings, training days, making someone a sandwich who forgot their recess, giving up their lunch break to support a child, giving up their afternoon to talk with a struggling parent, trying to manage difficult behaviour whilst teaching at the same time, the list goes on. The next time you think a teacher is meeting your needs consider the time they put in with each of your children whilst they try to cater for the very varied needs in their classes. This is often done with limited resources and time, but they do it because they want to see your children grow and learn. Encourage your teachers. A little bit can go a long way.

Behind the scenes- Our behind the scenes workers like reception staff, bursars, SSOs, librarians, groundsmen, governing councils and parent committees work very hard to keep the school running. Often taken for granted because so much of what they do, whilst essential to keeping the school a float, is not publicised. The next time you read a note that comes home, see the grounds mowed, a great display in your child’s classroom, planning an excursion, a well-run mothers’ day stall, a mended knee and even this newsletter– know that one of these people has taken care of it.

School leadership – not a job I envy. These guys are the face of our school with the great responsibility of overseeing everything. They’ve staff, families, students and the department to please, all whilst trying to look after not only their own schools but to see how we can better grow as a campus. Probably the easiest ones to blame when we think things are not running as they should, but consider their big task and the complexities which form their decisions with information we are not always privy too. They are not perfect but are doing their very best. Encourage your school leaders. A little bit can go a long way.

Families – Our school community would not be possible without you; so many different backgrounds and family structures that make this place unique. With difference comes both strength and conflict. Sometimes it can be easy to pass judgement on what we see, or to jump aboard the rumour mill rather than knowing facts first. Stop and think about the ‘unknown complexities’ of your fellow school families. Do you know the whole story? Marital struggles, tragic family death, financial strain, mental illness, terminal illness and even loneliness are just a few of the cases. Encourage your fellow families. A little bit can go a long way, and who knows what impact that might have on someone.

Thank you for nearly 5 wonderful years Thiele and Pilgrim schools. I truly do love my job (no really, I do…). I wouldn’t drive from Mawson Lakes each day for just anyone©. You are such wonderful people! Staff, parents and students I will miss you greatly. I am taking 12 months maternity leave with my return still to be discussed closer to the end of that time. There will be a Pastoral Care Worker replacement and this is TBA.

Look after each other and know you will be truly missed.

Mel Grierson
Uniform Shop
The Campus uniform shop is situated between the Campus Office and library, and is open at the following times.

Community News
Further Information on Notice Board in Foyer Entrance

Aberfoyle Hub Dental Surgery
Medicare is now offering bulk billing for eligible children aged between 2 and 17 years capped at $1000 per child over a 2 year period. It provides access to basic dental services, including examination, x-rays, oral hygiene, fillings, extractions, root canal therapy and fissure sealing. The service is Means tested (if you are eligible for Family Tax Benefit Part A you will be able to access this scheme). Aberfoyle Hub Dental will bulk-bill these services leaving no gap for eligible patients. Call 8270 4911 to make an appointment.

Aberfoyle Park High School Tennis Academy
Applications are now open for the 2016 Aberfoyle Park High School Tennis Academy. The program provides student athletes access to a high quality, personalised tennis and education program from years 8-12. It delivers a flexible, supportive and “athlete friendly” academic environment which covers all essential learnings in the Australian Curriculum and leads to a number of pathways at Senior School.
Application Packages for 2016 are available NOW by contacting the Tennis Academy Manager Mr Terry Ellis Phone: 8270 4455 or Terry.Ellis@aphs.sa.edu.au
Taylors Rd East Aberfoyle Park 5159
Note: Applications are due no later than May 8th 2015

Anzac Event Saturday, 25 April 9.00am
Weymouth Oval, 442B Main Road, Coromandel Community Centre
Coromandel Valley
Held to mark the period of 2014 to 2018, 100 years since Australia’s involvement in the First World War. This is a time to reflect on and celebrate our freedom with a service and event.
Hot drink and morning tea to follow. Stay until noon and enjoy the live entertainment featuring Bec Watt and jazz band, artwork, wreath making for the children, photo booth, sausage sizzle lunch and historical displays and information.
For more information contact (08) 8370 6880 email: info@coromandelcc.org.au or www.coroalive.org.au .
This event is funded by contributions from the community, including support from Blackwood Freemasons. Donations also welcome on the day.

Bright Spaks Science Club
The Faculty of Sciences at the University of Adelaide has launched an exciting new Bright Spaks Science Club for people aged 6-15 year. Club members are able to access over 60 educational and fun hands-on-science experiences throughout the year.
These include astronomy viewing nights, power station tours, spectacular science shows, animal experiences, field trips, learning about gems, minerals and fossils, forensic science, hands on experiments in the labs and more!
To join go to www.sciences.adelaide.edu.au/bright-sparks/ . Annual membership is $50 for a family with one child or $60 for a family with 2 or more children. Come and try events are open to non-members: Mobile Science Spectacular Friday April 10 6.30-8.00pm at Scott Lecture Theatre University of Adelaide, North Terrace Campus. Cost $8 child $8 adult non-members.

Foster Care
Are you able to provide foster care to a child? Come along to a Foster Carer Information Session on Wednesday 29 April 2015, from 6.30-8.30pm at Our Saviour Lutheran Church, 32 Taylors Road West, Aberfoyle Park. Meet a carer and hear what it’s really like to open your home to a child or young person in need. Light refreshments will be provided. For further information and to RSVP call 8337 8787 or visit our website http://www.fostercare.lccare.org.au .
Much of our work this term has been on NUMBER: recognising and ordering to 1000, establishing efficient counting strategies, and using addition to solve problems. We use lots of ‘hands-on’ resources, work independently and collaboratively, and share our discoveries with the class.
