Dear Parents,

I would like to welcome you back to Term 2 at Pilgrim and especially welcome Sophie Wilson (Year 6) and Le Le Zhang in Year 2. I trust your families will be greatly blessed by your time at Pilgrim School.

ANZAC Day 2014

I would like to also thank Emily Ritson and Seth Stockman (SLT –Year 7) who attended the Blackwood ANZAC Youth Vigil on April 24th in the evening. They laid flowers on the Memorial on behalf of Pilgrim School, along with others from the Campus. We also held a Pilgrim ANZAC Service last week, led by Mr David Mancer, who is the President of the RSL on Kangaroo Island. David is also a grandparent of the Gomez family and this was a very special occasion in our school year.

SACSA Athletics-2014

I would like to thank all the students and parents who attended extra practices over the vacation and last week. The weather really did disrupt our preparations, but I want to commend the organisers and all of our team for their enthusiasm last Monday at SANTOS Stadium. We finished a close second in the Division 2 Challenge Shield, which is awarded for points per student in each school.

I was pleased with our improved preparation this year and next year I would like to hold a special SACSA Tryout half-day, in order to select our team soon after the Campus Sports Day. I would especially like to thank Mrs Loffler for her work with our team. Some photos are included with this Newsletter.

NAPLAN & ICAS Tests

Next week our Years 3, 5 & 7 students will be sitting for the NAPLAN tests on Tuesday to Thursday morning and Friday is a catch-up day. The tests are held in the morning and we are always encouraging our students to be confident, enjoy the challenge and give their best. Please speak to Mrs Roberts or myself if you have any queries about the NAPLAN tests.

On May 20th, the first ICAS Test will be held, which is Computing Skills for Years 6 & 7s. These tests are only completed by those students who have requested and paid to complete the paper.

Thursday Assemblies

This term, we will continue to hold Assemblies every Thursday, and each week students will be involved by sharing some of the special moments in their class activities. We have also planned to share some specific year levels each week, but they will only take up part of the Assembly program.

Week 2: Reception Class & Year 7, Week 3: Years 1 & 4, Week 5: Years 2 & 6, Week 6: Years 3 & 5.

We look forward to seeing you any Thursday and Tuesday for our Worship times as well.

God’s richest blessings and have a wonderful Mother’s Day, to all our busy Pilgrim mums.

Nigel Bennett
Principal.

Sing praise to the LORD; tell the wonderful things he has done. Be glad that we belong to him; let all who worship him rejoice! Go to the LORD for help, and worship him continually.

1 Chronicles 6: 9-11

From the Newburys

Thankyou to all families who have cooked meals, prayed and watched over my children during the time I was sick and in hospital. Simon and I really appreciated it and felt covered by your prayers and extra care for the kids. I have recovered well and love being back in the class and home again.

Love The Newburys - Simon, Lisa, Hannah, Paul & Lizzie

(Lisa is our Reception class teacher).

SIBLING ENROLMENTS FOR 2016 AND 2017

FOR FAMILIES WITH YOUNGER SIBLINGS

The following families have siblings enrolled to start at Pilgrim in Reception in 2016: Bedar, Beresford, Saunders and Xue. If you have a child due to start school in 2016 and your name is not on this list, please ask for an enrolment form at the front office, speak to Kristen Heath or email her at heathk@pilgrim.sa.edu.au.

Our 2016 class list is beginning to grow, please encourage others you know who are interested to enquire at Pilgrim as soon as they can.

If you have younger children starting school in other future years we would also love to hear from you. Siblings of current students have priority in the intake process and it helps us to know as soon as possible which year siblings are planning to start school so we are aware how many new families can be offered a place.

Donations for Quiz Night and Silent Auction
The organisers of the Quiz Night are busy with ideas about the impending date. Here are a few helpful tips to support you in supporting your child. These ideas are useful in any given situation where stress may occur.

Mel Grierson- CPSW Thiele and Pilgrim Schools

What Can Parents Do to Help?

1. ‘Being there’ emotionally– During times of stress, children usually need extra nurturing, comfort and understanding from their parents and carers to help them feel secure and confident. Be open and receptive to how children are feeling as well as provide comfort and attention when needed.

2. Discuss feelings– Encourage children to talk about how they feel. Listen with empathy so they feel understood and know that their feelings are normal. Help your children to understand that talking about feelings can help to manage them.

3. Support children’s confidence– Teach children to be brave by showing them you believe they can do it, and encourage them to ‘have a go’ even if they are feeling nervous. Providing positive feedback for effort, celebrating successes and encouraging them to keep trying will help your children to feel confident in approaching assessments.

4. Help with relaxation skills– Breathing slowly to calm down and helping them to imagine themselves coping well during a test are really helpful ways of managing anxiety. Doing it with them is a fun way to start.

5. Teach helpful thinking– Instead of saying to themselves “I can’t do this” encourage them to say “I’ll give it a go”.

6. Lead by example – Show your child how you cope positively with feeling anxious or stressed by thinking out loud e.g., “I feel a bit nervous, but I’m going to try my best”. Remaining calm and positive when your child is feeling anxious can help them to feel more confident.

7. Help your child have clear expectations– Talking through what will happen. Teachers will go over this information with your child, so encourage your child to tell you what they know and to reinforce that their teacher will prepare them.

8. Discuss problem-solving– Brainstorm situations that might arise during the test and then come up with possible solutions with them. For example, ask them what are three things that they might be able to do if they freeze in the exam and feel sick – possible strategies include taking 10 slow breaths to calm down and refocus, taking a sip of water if it is available or letting a teacher know they feel unwell.

9. Teach confidence-building tricks– For example, looking through the paper and completing questions they know they can answer first before trying more difficult ones.

‘Heaven is For Real’ Movie Fundraiser
5 students from Emmaus have an opportunity to go on a school mission trip to Indonesia later this year, and as part of the trip they need to raise some money to fund their costs and the programmes with which they will be helping out. They will be learning more about the Indonesian culture, working with a local church youth group to encourage and support them, visiting a local orphanage and teaching English at a nearby village.

Tarni Heath found out about the release of “Heaven is for Real” as a movie and was very keen to use it as a fundraiser. For those of you who haven’t read the book, the movie is based on the story of Todd Burpo who’s 4 year old son has a near death experience and claims to have seen heaven. She loved the book and can’t wait to see the movie.

The movie is not being released generally, so your only opportunity to see it on the big screen is through a fundraiser or group event. It is rated PG (due to thematic material; including some medical situations). Check out the trailer here if you are interested: http://www.sonypictures.com/movies/heavenisforreal/

EASTER RELECTION
Grief and sorrow at what lies ahead
Entering his time that had to come
Tempted and troubled over which way to go
Heaven awaits the hanging body
Son of Man is ready to go
Endless endurance with enemies on his tail
Malicious follower who betrayed Jesus
Angry aspersions thrown at Christ
Not wanting to suffer a sorrowful death
Empty tomb; he is raised
