Dear Parents,

Last week our school had a visit from the CEO of Christian Schools Australia, Stephen O’Doherty who works from the national office in Sydney. We are part of 130 Christian schools across Australia, primarily with a church denomination behind them. Pilgrim is a Uniting Church school, which was established in 1982.

Stephen was very impressed with Pilgrim School and he particularly commented on the approach we are using to ensure that the Australian Curriculum has a Christian perspective as part of its foundations. He commented on the excellent work we are doing and the wonderful cooperation between the three schools on our Campus. Stephen had a chance to meet with the Campus Leaders as part of our weekly meetings.

The new Australian Curriculum is gradually being introduced to all schools across Australia. This curriculum is written by different subject teams by a national body called ACARA, which also conducts the NAPLAN testing. These curriculum statements are a secular series of documents which tend to avoid issues related to religious beliefs, or worldviews, unless they touch on values or descriptive statements of world religions. A significant part of the Australian Curriculum is still being written and sent out to schools, but English, History, Mathematics and Science are now well established in S.A. schools.

However, there are some schools across Australia that aim to provide a Christian framework to the Australian Curriculum. This is a time consuming task and one we have started at Pilgrim. We are using our Professional Learning meetings to tackle this task, with the leadership of Deb Roberts and Julie Wicks. Next week, I will be attending a national meeting of school leaders in Canberra, who are working to provide a Christian response to the Australian Curriculum. They will represent schools in every part of Australia.

The unique aspect of our Campus is that while we teach the same curriculum, and our children come from the same local community, there is the freedom to teach from different perspectives in the three schools. In these situations we have both unity and diversity on Campus. We will share the same values and behaviour codes, activities and events, yet we may have different beliefs. This is a freedom we both enjoy and should never take for granted in Australia, in my view.

I understand that most parents trust teachers and schools to teach the curriculum well, without worrying too much about the way it works. However, my reason for writing about this subject, is that the curriculum is a powerful and major part of our work as teachers. We are actively shaping it, based on the Christian beliefs of Pilgrim School. I will be very pleased to discuss this with parents if you enjoy such discussions. I will report back from my meeting to the Board and to the school community.

Yours in His Service

Nigel Bennett
Principal

- Help children develop road crossing skills
- Reduce level of air pollution by cars
- Reduce level of traffic congestion.

School Photos

School photo day is Wednesday 11th June

Winter Uniform

All children are asked to wear full winter uniform, including a woollen jumper for their photos. Year 1,2,6 & 7 students have PE on this day, teachers will inform parents of the arrangements for uniform for this day.

All students have their photo taken whether they are purchasing photos or not, to be included in class photos.

Payment can be sent to the school in the envelope supplied or by On-Line Ordering, where parents are now able to select their preferred package.

This year the range of options available to you online has increased. As well as the option to download a Low Resolution image for a smartphone, parents will now have the option to purchase a High Resolution Digital Download of their child’s image and Family/Sibling packages will also be able to be ordered online!

Family Photos

Envelopes for family photos will be available from the front office.

Spare Envelopes

Will be available from the front office, for parents with shared parenting arrangements, you may need a second envelope. Please clearly mark as to whether mum or dad is purchasing.

An added incentive for our families is that MSP now offers a 10% discount for all family orders above $90.00 a family.

Hats

Optional Wearing of School Hats

Wearing of school hats will be optional for students from the beginning of Week 6, 23rd June until Week 6 in Term 3.

UV radiation levels generally fall below 3 from May to August in South Australia. This is in line with The Cancer Council of SA recommendations. To find out more visit www.cancersa.org.au

Please take the opportunity to take hats home for a wash and relabeling!
Class teachers are receiving PRC Record this year. When a child completes their reading record sheet the teacher will check it off their class list. Forms can be downloaded from www.prc.sa.edu.au.

Mr Andrew Harris is coordinating PRC again this year, after doing a wonderful job encouraging children to participate last year.

STAFF PRAYERS

Each morning Pilgrim staff meet at 8.15am for devotions. Staff pray for different classes, individual students, families, Campus staff, the Board and various aspects of school life. Staff prayer time is a very precious opportunity to commit the day to acknowledging God’s presence at Pilgrim.

At 8.30am staff are ready to start the school day. We ask that students and parents do not enter classrooms before the first bell at 8.30am. Thank you.

BALI LIFE

Update from Indonesia – May Report direct from Steve;

“Our Bali Life family is growing. There are now 29 kids in our care. We love them all. Steve has now committed every Thursday afternoon to taking the boys surfing (such a chore). They love surfing.

Nicole has been cooking a bit and hanging out with the girls, and teaching them how to be a mum. Isaac (our son) just loves the kids.

In the last few months 8 kids have made the decision to be baptised. This was an awesome event to be a part of and to see how much these kids love the Lord.

The street team has grown somewhat. It is not unusual to have 12 volunteers in a night. This is awesome as we prepare to open the shelter. We have been seeking God to open up more miracles on the Bali Life Easter street and praying for healing has become a normal part of the night as well as seeing people healed. This has been a lot of fun as the kids and women see the love God has for them.”

Praise points

- God’s continued faithfulness in every way here in Bali
- God’s provision and protection over us
- God’s clear direction for the future
- Isaac getting through the measles well
- Another year of Steve running the street program
- Seeing God reveal his healing power on the streets
- God’s provision so far for the street shelter

Prayer Points

- Finance and a shelter for the Bali Life Drop-In Centre in Kuta for the street ministry
- Protection from sickness within our family
- Energy and focus for the year ahead

Please talk to our Indonesian teacher Roz Oldfield if you are travelling overseas to Bali, or would like more information about this project that we are supporting as a school community.

CAMPUS DRIVE PARKING

On Wednesday the 8th of May just after 10.00am a car parked directly across the driveway of a home on Campus Drive. Not just a bit across but totally blocking any entrance or exit from the property. There were hardly any cars in the street at that time, the car was there all day and was not collected until after dark. The registration and make of the car were recorded and the situation followed up by the school.

Parents please be aware of the rights of the residents to be able to use their driveways.

PARENTS & FRIENDS

Thank you to all the Year 1 parents who helped organise the stall. Everything was sold by recess time – an all time record! The amount raised was $325.33.
Some feedback on just how much your hard work for the Mother’s Day stall has been truly appreciated!

A single Mum from the school rang asking if I could pass on to the P & F and their helpers just how much the stall means to her. Being a single Mum, she doesn’t have anyone else to encourage her children to think about little gifts for Mother’s Day and it really means the world to her to have her children able to purchase something themselves. She asked to please pass on her heartfelt thanks for everything you ladies have done!

Well done ladies!
I know that this Mum isn’t the only one who feels this way, so thanks so much for all your hard work. I know that all the “Pilgrim Mums” appreciate all the time and love you have given to this stall.

Seeing the children’s excitement yesterday morning was lovely. It is wonderful they get so much enjoyment purchasing something special for their Mum.

Thank you for providing that precious opportunity and for helping make Pilgrim the special place that it is!”

Bunnings BBQ @ Marion 24th May
Thank you to those parents who have volunteered to help on this day. For anyone who is near Westfield Marion on Saturday, please call in and see us at Bunnings for a delicious sausage and drink for lunch or a snack. Come and support our school. We would love to see you!

YEAR 2 CLASS NEWS

A highlight for the class so far has been our excursion to the Living Kaurna Cultural Centre at Marion. We went last Tuesday week as part of our iUnit on Aboriginal Dreaming Stories.

We particularly enjoyed the art workshop, where Loretta showed us some indigenous artefacts and told us the stories embedded in the designs and symbols. We also go to paint our own little canvases, which are now displayed in the corridor outside the Year One class. It was an informative and very enjoyable time for us all!

These are a selection of photos from the event.

CAMPUS SOCCER RESULTS

Week 1 - 17th May
What a cracker of a day we had for the start of soccer season. No rain, a bit of sunshine was on order and that’s exactly what we got. It was great to see so many familiar faces again and lots of new ones as well.

Under 9’s defeated Warradale 4-1, with 3 goals to Leon S and 1 goal to Jem M. This team has come a long way from last season. They all played really well together and did their coaches Laura and Bob, and their parents very proud.

Under 10’s defeated St Theresa’s CTK 4-1, with 2 goals to Michard B, and 1 goal each to Zane W and Oscar S. Well done to Jayden W for his ‘Most Inspirational Player’ award for ‘his persistence and determination on the ball.’ Good job everyone.

Under 11’s lost Paringa Park 0-5.

Seniors 1 defeated Mercedes 2-0, with Tommy N kicking both goals.

Seniors 2 defeated St Thomas 1-0, with Daniel G kicking the only goal. These boys and girls played really well together especially with half the team being new to soccer. Looking forward to seeing how all the teams develop over the course of the season.

A special thanks goes out to all those parents who give up their time to coach and manage for us, and to those who referee for us. Without whom we wouldn’t have a soccer season.

Good Luck to all next week.

Vicki Powell
Campus Soccer Coordinator.

Fauvism is a term used to describe an art movement that lasted from 1905-1907. It used wildly expressive brushwork and brilliant colours.
