Dear Parents,

**Thanks to the P&F**

Every year, the Parents and Friends spend considerable time arranging a major fundraiser for the school community. This year was a new venture that seemed to be a very successful event, judging by the energy levels in the foyer and theatre on Sunday afternoon. The new movie release, ‘Finding Dory,’ was the sequel which has been over ten years since Nemo became famous.

A big thanks for all those who donated and contributed to the special goodies for sale. Congratulations to the winners of the competitions; Airlie Sarre, Jesse Brumby and Callum Hillier. Some of the profits from the day, will be used to purchase digital cameras for each class. These will be used to help give parents and family, a better picture of school-life.

Thank you to everyone who supported this community event and I’m sure the P&F will be keen to receive your feedback about this fundraiser.

**Building Update # 5**

By the end of this week, or by the time you are reading this Newsletter, the Front Office will be in the process of moving into their new home. The spacious new First Aid room is the reason behind this renovation, which will be safer and will provide some more privacy for our injured or ill students.

The renovations in the ‘old Front Office’ area will commence in the first week of the school vacation. It is a slow and steady process at this stage.

**Campus Update**

You may be aware that two ‘Green Days’ have been cancelled and so a third attempt will be made in early Term 4, in spring. There are also two other Campus activities being held involving all classes, which is a Drug Education program called ‘FYI’ and an Asian Studies event called ‘G’Day Asia’.

**Driver Safety**

Please remember to drive at **25kms per hour** around Campus Drive at the beginning and end of the school day. This will help make it safer to cross Campus Drive with little children.

Yours in His service

Nigel Bennett

PS Don’t forget to buy your Musical tickets asap!
**Worship & Assembly Roster**

Worship and Assemblies are held each Tuesday and Thursday at 8.55am in the Performing Arts Centre. Parents and friends are warmly invited to share in these special times.

**Thank You**

- Thank you to the parents who helped with the Campus Disco. It was great to see the students enjoying a great time.
- Fantastic effort from parents organising costumes for the musical. Ask your child’s teacher if they need any help with final touches for performances.

**Christian Schools Australia (CSA)**

Pilgrim School is a member of the CSA. For a small school, it is very encouraging to hear that we are hosting the next Special Education Forum (in Term 3), that Roz Oldfield is leading the Asian Languages group and that Julie Wicks is making a major contribution to the Humanities and Social Sciences (HASS) workshop in June and is part of the Curriculum Action Group.

We will also share the talk given by the CEO of ACARA in Canberra on the theme: Spirituality and Curriculum and this material has been presented to our School Board.

It is great to have our staff contribute to the bigger picture of Christian education in South Australia and beyond.

**Annual Report**

**Police Checks for Campus**

Parents are encouraged to obtain a DCSI (Department of Community & Social Inclusion) clearance for volunteering for Campus activities. This is a simple procedure with no cost to our parent volunteers and can be done through Thiele front office. Once you have received your DCSI clearance please bring the original copy to Pilgrim office for Wendy or Karen to sight. These clearances will enable you to volunteer for all Pilgrim as well as Campus activities eg volunteering in Canteen, Campus Disco, Library, Sports Coaching, etc.

There was some confusion about parents being able to help at the Campus Disco. We want to encourage parent involvement to support student activities within a safe framework as required from contemporary child protection practices.

**No Trading Cards at School**

Trading cards are banned at school – before, during and after school times. Students are banned trading cards during school time but there have been problems at the kiss and drop zone. Parents please discourage your child/ren from bringing any trading cards to school.

**Parents & Friends**

Food for Thought-Fullness!!!

Through your generous giving we have given 10 big grocery bags filled with food to local families in need. Thank you!

From now until the end of June, we will continue to collect pantry items to make hampers for families in need this winter. Small cash donations (that will be used to buy fresh produce such as fruit, vegetables, meat and dairy) can be given to the front office and school lunch box food would also be greatly appreciated.

Campus Library Refurbishment

Campus Leaders has been researching and discussing the $100,000 refurbishment and upgrade of the Campus library. Nativity Principal, Mr Greg Haynes, had the fortunate opportunity to attend the EduTech Conference, representing Campus leaders to see, hear and connect in with the understanding of what a Futures Library would be for the future.

The possibility of what can be created to further engage the students with their learning is an exciting proposition. It is our plan to have the planning completed by the end of the term with the refurbishment to occur during term 3 and part of term 4.

Asia Week Introduction

On Monday 20th June the Campus had its first taste of Asia Week, with classes engaging in “G’Day Asia”. The students were encouraged to get up and participate in both traditional cultural ceremonies and colourful contemporary celebrations. A mischievous monkey and shy panda were among the puppets and masks that brought to life some of the tales from an Asia past.
