INTRODUCTION

School Uniform is an important part in the life of a school and at Pilgrim we are proud of our uniform and children are required and expected to wear the uniform when at school.

Reasons for wearing school uniform include:

- It gives a 'public face' to the School in the community
- It promotes pride in children to be associated with their peers and school
- It has a 'safety' value in that children are easily identified when outside of school grounds
- It reduces peer pressure in having to wear the latest fashions or 'name' brand items of clothing
- It helps solve the 'what shall I wear' dilemmas in the morning
- It acknowledges the school environment as a type of 'work place for learning' and the items of clothing reflect this

The uniform is based on the colours of blue, maroon and grey. All 3 Campus schools have similar uniform requirements, but Pilgrim and Nativity require children to wear uniform whereas Thiele has a dress code based on the Campus colours.

Parents are expected to ensure that children are dressed in the correct uniform. Teachers will monitor the wearing of uniforms and follow up with children and parents when necessary.

Parent support of our Uniform Policy will allow teachers greater time to focus on learning opportunities for children.
