Dear Parents and Caregivers,

Thank you to the many who attended the 'Meet the Teacher Nights' What a great opportunity to meet with your child's teacher and find out a little more about them and the manner in which they will be working with children. It was also a chance to connect with other parents and caregivers as well. If you were unable to attend on Monday or Wednesday please feel welcome to take an opportunity to connect with classroom teachers and find out more about how they will work in partnership with you and your children.

We look forward to seeing you this Saturday at 4.30pm on the 9th of February at Seeds Uniting Church for our annual Commencement Celebration service. It is a terrific occasion to gather together as a school community, to meet, connect and look to our Heavenly Father for the year ahead. We will together praise Him and thank Him for all that has occurred in the school's past. And also time to celebrate and look with expectation and anticipation to the future.

Psalm 95: 1-6

"Come, let us sing for joy to the LORD; let us shout aloud to the Rock of our salvation.

Let us come before him with thanksgiving and extol him with music and song. For the LORD is the great God, the great King above all gods.

In his hand are the depths of the earth, and the mountain peaks belong to him. The sea is his, for he made it, and his hands formed the dry land.

Come, let us bow down in worship, let us kneel before the LORD our Maker"

As part of the celebrations the Reception children will receive a Bible from their year 6 or 7 buddy to take home and keep. Please use this as a chance to read to your child stories from the Bible. A great place to start is in the Gospels, perhaps with the book of Luke. Reading through and understanding the recounts of Jesus and his interactions with people is a great way to grow in knowledge and understanding of who Jesus is and what this reveals to us about the character of God.

If you would like to discover more about the Bible and issues related to Christian faith you would be welcome to contact Seeds Uniting Church to discover more about Jesus with their alpha course starting the 13th of February. For more information please contact: info@seedschurch.org or phone 83706472

See you Saturday

Commencement Celebration

4.30pm SATURDAY 9TH FEBRUARY
Worship at Seeds Uniting Church
42 Sunnymeade Drive, Aberfoyle Park

Followed by a shared afternoon tea

We invite all students, family and friends to come and celebrate the start of the 2019 School Year at Pilgrim. We will commence with worship focused on God's blessings to Pilgrim School. Staff, students, parents, P&F and the Board will be acknowledged and prayed for during the service.

Worship will be vibrant and family-friendly, including student involvement. This is a great chance to meet and mix with other members of our school community.

Several students and classes will be involved in worship, so please make every effort to join us. Students are asked to wear their PE uniform and will sit in class groups for the worship time.

We would love you to attend as a family as we celebrate the start of 2019.

Please bring a plate of food to share for afternoon tea. We look forward to seeing you there!

Athletics Club

Athletics club is restarting Wednesday 6th February (week 2) at 3.15pm-4.15pm for 5 weeks. In week 6 there will be no athletics club however information regarding

trials for SACSA team selection will be shared. If your child has not attended Athletics club before please ensure that you have returned a permission slip.

We welcome Mrs Jayne Battersby, Year 4 teacher to our sports team. Jayne is a previous National level athletics competitor and will be a wonderful addition to our team.

The focus is on training for specific athletics events and recording times and distances. Any parents who are able to help with timing and measuring would be greatly appreciated!

Hat, sunscreen and water bottles are essential. With hot/wet weather, there will be a marquee which will provide shade or shelter. If we have forewarning of poor weather we may cancel, otherwise we can supervise students in the Oasis building should that be absolutely necessary. If you have any questions regarding athletics this year please email me at lofflerm@pilgrim.sa.edu.au

Megan Loffler, Coordinator

Big Thank You from Administration

The Administration staff would like to send out a huge thank you to families for being so prompt in returning forms. 80% of forms have been returned.

Follow up emails and requests will be sent to families until 100% of forms are returned.

Each class has a white communication box, where completed forms can be placed each morning.

Parent Prayer Group

Join our prayer team in 2019

All parents are welcome to come to weekly prayers, held Monday mornings at the start of the school day when you can. Our school community will be blessed by your prayers. Prayer time is for about 20 minutes and the group will use the meeting room off the front foyer. Prayer requests can be emailed to Kristen Heath at heathk@pilgrim.sa.edu.au

Learning Assistance Program

Do you have a love for children?
Could you spare 50 minutes a week?

We invite interested parents and grandparents to spend one lesson a week working with one student. The children in the program may:

- ❖ Have an interest or talent to be developed
- ❖ Need someone to listen and show they care
- ❖ Be experiencing difficulties with learning
- ❖ Need help and encouragement with learning

Contact Heather Fallon (Education Support Officer) who coordinates the LAP program and is keen to help volunteers do all sorts of fun activities with children (eg cooking, gardening) to build a great positive relationship. Email fallonh@pilgrim.sa.ed.au.

Allergy Reminders – No Nuts

Allergy Reminders please refrain from bringing any nut products to school as we have a number of students with severe allergies. This could be life threatening to them.

Avoid sending nuts to school especially peanuts, walnuts, pecans, cashews and pistachio nuts.

Dinner

The New Parent Dinner will be held on **Thursday 28th February 2019**. The dinner is for parents who have children starting for the first time at Pilgrim in 2019, or who started later in 2018, and don't have any other children already enrolled. Invitations are being sent home shortly. A crèche will be available for those who need babysitters.

Please reply by RSVP date.

Year 3 parents will be helping with the dinner by setting up, serving food, donating non alcoholic drinks and doing dishes. Food will be provided free of costs to guests, and the Sarre family are catering.

Parents & Friends

I would like to start the year by thanking those people who have agreed to be class liaisons or to serve in other P&F related roles.

Term 1 Meeting Dates

The first P&F meeting for this year is on **Monday 18th February**, and the second meeting is on **Monday 25th March**.

P&F is a great way to keep in touch with what is happening around the school and to contribute ideas. We have two meetings each term on Monday nights at 7:30pm in the Pilgrim Meeting Room. **Everyone is welcome to attend**. The meeting minutes are emailed to all parents to keep them informed if they are unable to attend.

Pancake Day

A **Pancake Day Breakfast** is being held before school on the morning of **Friday 15th March** to raise money for Uniting Care.

Please come along and help us raise money for this worthy cause. A note will be coming home soon asking for volunteers for this event and will provide more information.

Looking forward to another great year of P&F serving our school community.

Pastoral Care Worker

A very big welcome back to all.
I hope you had wonderful holidays and are feeling like you are ready for 2019!

Doesn't a new start sound great?
Romans 12:1 says!

"So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering. Embracing what God does for you is the best thing you can do for him. Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you." (MSG)

The very first step toward change is to believe that you can. You don't have to stay the way you are because God is a God of change and transformation. He can bring change to your life and bring the best out of you. ♥

I am excited to inform you that I will be at Pilgrim on Thursdays and Fridays. I will also be busy around the school.

If you need to speak with me I am contactable via the front office or via my email address below.

Campus Matters

The **Campus Office** attends to P.E. and Sports Teams across Campus, Music and Instrumental Programs, Crossing Monitors and a myriad of other tasks. This is done by **Bianca Henderson**, Campus Administrator.

The direct number of the Campus Office is **8270 3077**.

Campus Finances are managed at Thiele School; please go to Thiele front office. **Jo Hicks** is responsible for Campus financial administration. Thiele's phone number is 8270 4222.

Campus Library Volunteers Needed

The Campus Library appreciates the help of a number of dedicated volunteers.

In a large Library such as the Campus Library, we are always grateful for any assistance. We require volunteers to assist at the circulation desk, re-shelving books, processing of new resources and with library displays.

If you are able to assist with some of these activities on a regular or occasional basis please contact us in the Library at your convenience.

With an emphasis on providing a safe working environment, we cannot provide an appropriate place for volunteers to bring young, pre-school children. As with all Campus volunteers it is a requirement that you obtain

a Child-Related Employment Screening. Please see the Administration staff in your school to organise this. Costs for the screening will be covered by the Schools.

No prior library experience is necessary, the Library staff are happy to provide training as needed.

Contact us:

You can phone your school office and request to speak with Library staff.

You can drop in and see us and take a look around the Library.

You can email us.

Smart Movers

New Exciting Program for Selected Students.

This year, Campus will be offering a physical intervention program that focuses on the development of balance, eye tracking and coordination, body awareness, locomotion and fitness. The program is designed to develop children's perception, through multiple movement perceptual movement stations, directed by an SSO/ESO and teacher. The program should be viewed as a preventative and a holistic approach to developing transferable and lifelong skills that will enhance their confidence in the PHYSICAL world. Students selected will participate in 4 key stations twice a week and will be assessed at the end of a 10 week period. Each child's journey will be independently managed and therefore will result in an individualized program. If your child is assessed and selected for the program, you will be notified via email. The term 1 program will consist of student's in Years 1 and 2.

For more information please contact Renee Sawyer, Program Coordinator, and Campus Junior Primary PE teacher.

What Pilgrim means to me
Bianca Graduated Year 7 2018

We have been here at Pilgrim, for the past 8 years, and it has been Amazing! There have been so many opportunities, challenges, risks, Leadership opportunities, and many highlights.

Through my past eight years at Pilgrim there have been many highs and lows. I have experienced lots of fun activities and some not so much. All of the teachers I have had whilst attending this school have been a great help from helping me with tough work questions to dramas with friends in the playground.

If I was to use three words to describe the people at Pilgrim school I would say, welcoming, helpful and this is technically four words but servant hearted.

I remember when I started here everybody was very kind and welcoming and it was easy to make friends. I am now even closer to the students in my class and will be extremely sad to leave. If any of you are worrying about your school work or drama with friends, just remember that your teachers will always be there to help you work through problems.

Being at Pilgrim school has encouraged me to take risks and try new things. There have been many opportunities to be who I am and show my talents. This year I was able to be one of the main characters in the musical and express myself through singing and acting.

I have enjoyed the many worships and assemblies my class has been involved in through the years. Pilgrim has been quite a big part of my life, I have been going here almost everyday since I was five years of age. Now it is time for me to leave and I know that I will miss every single person.

What Pilgrim Means to Me
By Abi Year 7 2018

I have been at Pilgrim for all my life since I was four years old. I still remember when I first started in reception, and absolutely loved my first week, but then I realised that School was a daily thing, and not just a once off. But after the next few weeks of me clinging to Mum and begging her not to go, I finally started to get used to having to go each day.

Some of the many opportunities I have experienced have been Musicals, Excursions, Camps, Worships, and Assemblies. I have had Leadership opportunities such as being an SLT in year 5, a Sports Captain this year, and also a Performing Arts Captain. These have all been great opportunities for me, and have allowed me to help the school, but also enjoy doing the things I love. My time here has had its ups and downs. I have been through many challenges, but in these times, I have learnt to just relax, and to trust in God, and his amazing plan for me. Also, when I have been through tough times, I always know that I can look to the amazing staff here for support, and especially my amazing friends.

Over the years, I have really grown a lot. This school now feels like my second home, and the teachers, staff, and classmates who have put up with me for a long time now, feel like my second family. I know for certain that I will miss everyone here so much, but I also know that God is walking ahead of me, and is in control.

Makers Empire

In 2018 we introduced Makers Empire across Campus. This week we received the exciting news of the following awards:

Winner: Most designs created by a school

Winner: Greatest usage by a school

Winner: Most challenges completed by a school

The new Makers Empire Awards are designed to celebrate and showcase the students, teachers, classes and schools that make up our global education community.

Makers Empire's 3D design software is used to create over 15,000 3D designs every day. To date, students around the world have used Makers Empire to create over 4.5 million 3D designs.

The skills and attitudes students are demonstrating as designers are very important and will help them to be successful in the future. They'll be able to identify problems, visualise solutions and design new and improved ways of doing things. The world needs people like this who can think outside the square and create innovative new ideas.

Congratulations to everyone on Campus for this significant achievement. Every child on Campus has access to this program, which they can also use from home.

Uniform

Please ensure that your child is dressed in the approved Pilgrim summer uniform. If you are unsure as to the requirements, please check with the School or supplier.

School Parking

*Kids stay safe, people follow rules....
And save themselves a fine!*

A letter from City of Onkaparinga

With the new school year commenced, I am writing to reiterate our expectations with regards to parking outside or near to schools during their hours of operation.

The 'Australian Road Rules' give direction on parking restrictions and that which drivers of vehicles are required to comply with. The rules that are most prevalent to school parking and those which our Community Safety Officers enforce compliance with are as follows:

- Vehicles must **not** stop in a **NO STOPPING ZONE**, even for a few seconds to pick up your child.
- Vehicles **may** stop in a **NO PARKING ZONE** for three minutes or less to pick up a child who is waiting nearby. You must **not** park or leave the vehicle.
- Vehicles must **not** double park, or stop in the line of traffic, to pick up or drop off a child.
- Vehicles must **not** stop in a bicycle lane.
- Vehicles must **not** stop in a Bus Zones
- Vehicles must **not** stop within 20 metres before a crossing or 10 metres after a crossing.
- Vehicles must **not** stop within 10 metres of an intersection or junction without traffic lights.
- Vehicles must **not** park over driveways
- Vehicles must **not** park on the verge

Community Safety Officers recognise that vehicle movement around schools create high risks zones for pedestrian safety and will engage and educate drivers, along with issue fines for illegal parking if appropriate in the circumstances.

We wish everyone to have a successful and safe school year and ask parents to be mindful of their own behaviour around schools, whether in relation to where they park or the respect shown to our Officers trying to ensure safety of others.

It would be appreciated if you could include information in your schools newsletter regarding the need to comply with the road rules.

If you have any queries or questions regarding compliance with the road rules please contact the Team Leader or a Senior Ranger from our Community Safety team
8384 0666.

If you have any queries or questions regarding the placement of existing or new parking controls please contact the Traffic Engineers from our Traffic Management team
