About Aberfoyle Park Primary School Campus

The concept of the Campus with the State, the Catholic System and the Uniting Church sharing facilities is unique in South Australia. After years of preliminary planning, the joint project came to fruition at the beginning of the 1982 school year when the schools admitted their first pupils. For 25 years there were two State schools, Heysen and Spence. At the beginning of 2009 they merged to become Thiele School.

Since 2009, the three schools are:

- School of the Nativity (Catholic)
- Pilgrim School (Uniting Church)
- Thiele Primary School (DECD)

Having the three schools on the one site provides the following educational advantages

- A degree of choice for parents when deciding what kind of school they want their children to attend.
- Resources available to each school that could not be financed by three separate schools.
- Sharing staff expertise between the three schools.
