Introduction

School Uniform helps to provide shared identity, belonging and a sense of community.

Each individual school on Campus shares the colours of blue, maroon and grey, with clothing expectations, to link all three schools together.

Uniforms assist in easily identifying students and adding an additional layer of safety travelling to and from school and when in attendance.

It is an expectation of all students at Pilgrim to wear this uniform with support from parents and caregivers.

Summer formal uniform only in December, January and February.

Winter formal uniform only in June, July and August.

Choice of full summer or winter formal uniform in other months.

Please ensure that the summer and winter uniform are not 'mixed' together.

Please ensure all articles of clothing are clearly labelled with your child's name and school.
